

Planning a Football Trip to Italy – SERIE A FIXTURES 2019/20

Planning a Football Trip to Italy? The 2019/20 Fixtures have been released now and you can start to plan what weekends you want to travel and what Serie A games you want to see this season.

The season is scheduled to run from 24 August 2019 to 24 May 2020.

On 14 April 2019, Chievo returned in Serie B after 11 years. On following 5 May Frosinone was relegated after one year while the last team to be relegated was Empoli (on 26 May 2019) also after just one year.

Teams that were promoted directly from 2018–19 Serie B were Brescia (on 1 May 2019, after 8 years of absence) and Lecce (10 days later, after 7 years) while the last team to join was Hellas Verona (after just one season of relegation) by winning the promotion play-off on 2 June.

On 28 June 2019, Milan were excluded from Europa League after breaches of the UEFA Financial Fair Play Regulations. Roma were then moved to the Europa League group phase while Torino entered the preliminary round.
